SPEAKER OF THE DAY....

Jon Coupal, pictured here with Program Chair Ray Briehm, was our speaker of the day. He's with the Howard Jarvis Tax Association and working through the Legislature, courts, and ballot initiatives, the tax-fighting work of the Association has saved Californians billions of dollars. Estimates are that Proposition 13 has saved California taxpayers over 528 billion dollars. And when you add in all of the other HJTA victories...the average California family of four has saved more than \$57,000 as a direct result of the activities of Howard Jarvis and the Howard Jarvis Taxpayers Association!

GAMES FOR WHEN WE ARE OLDER

1. Sag, you're It.
2. Hide and go pee.
3. 20 questions shouted into your good ear.
4. Kick the bucket
5. Red Rover, Red Rover, the nurse says Bend Over.
6. Musical recliners.
7. Simon says - something incoherent.
8. Pin the Toupee on the bald guy

SIGNS OF MENOPAUSE :

1. You sell your home heating system at a yard sale.
2. You have to write post-it notes with your kids' names on them.
3. You change your underwear after a sneeze.

OLD IS WHEN:

1. Going bra-less pulls all the wrinkles out of your face.
2. You don't care where your spouse goes, just as long as you don't have to go a long.
3. Getting a little action means you don't need fiber today.
4. Getting lucky means you find your car in the parking lot.
5. An all-nighter means not getting up to pee!

Thoughts for the weekend:

- Wouldn't it be nice if whenever we messed up our life we could simply press 'Ctr- Alt- Delete' and start all over?
- If raising children was going to be easy, it never would have started with something called 'labor!'
- Brain cells come and brain cells go, but fat cells live forever.

Ponderisms

- I used to eat a lot of natural foods until I learned that most people die of natural causes.
- Garden Rule: When weeding, the best way to make sure you are removing a weed and not a valuable plant is to pull on it. If it comes out of the ground easily, it is a valuable plant.
- The easiest way to find something lost around the house is to buy a replacement.
- Have you noticed since everyone has a camcorder these days no one talks about seeing UFOs like they used to?
- In the 60's, people took acid to make the world weird. Now the world is weird and people take Prozac to make it normal.
- How is it one careless match can start a forest fire, but it takes a whole box to start a campfire?
- Who was the first person to look at a cow and say, 'I think I'll squeeze these dangly things here and drink whatever comes out?'
- Who was the first person to say, 'See that chicken there? I'm gonna eat the next thing that comes outta its butt.'
- Why does your OB-GYN leave the room when you get undressed if he's going to look up there anyway?

But Most Of All, Remember!

A Good Friend Is Like A Good Bra: Hard to Find, Supportive, Comfortable, And Always Close To Your Heart!
Never take life seriously. Nobody gets out alive anyway! (Thanks to John Bohn)
